34Years of Legacy: Celebrating the
visionary journey of
Dr. B Lal Group

NECARE
Putting People First

Prepared by: The Marcom Club of BIBT | Edited and Designed by: Marketing Team

From The Principal's Desk

**Dr. Aparna Datta,
Principal**

Dear Readers,

We kicked off the year with a grand celebration of our journey! “**Utsav**” marked **34 years of excellence**, honoring our legacy and achievements. Adding to the excitement, we proudly signed two MoUs with **Yi Jaipur** and **Atal Incubation Center–Centre for Cellular and Molecular Biology**, fostering innovation, research, and knowledge sharing in Biotechnology. These collaborations open doors to groundbreaking advancements and skill development.

We are also conducting a **30-day training program** for our DMLT students in collaboration with **MSME, Government of Rajasthan**, equipping them with valuable industry insights and practical skills. We hosted a special session on **Vision Board & Mission Quest** led by our esteemed Assistant Director, **Dr. Sudipti Arora**.

Our faculty continued to make us proud, receiving **Industry Leadership Awards** and securing **2nd prize** in the **Poster Presentation**.

It was also a remarkable month for our students! A **B.Sc. Sem I** student clinched **1st prize** in **athletics** at the **National Level Youth Games**, organized by the **Youth Games Council India**, while our **M.Sc. Sem III** students celebrated successful **placements** in the placement drive. Meanwhile, our admissions team expanded its outreach, connecting with over 130+ students to strengthen engagement.

Republic Day was celebrated with great enthusiasm—from flag hoisting to heartfelt poems, inspiring speeches, and powerful monologues, every moment echoed the spirit of our great nation. Keeping the momentum alive, our “**Humans of BIBT**” campaign continued to spotlight the unique journeys of our students, celebrating their diversity and individuality.

Stay connected for more exciting updates in the next edition!

BIBT Highlights

Dr. B. Lal Group marked 34 years of excellence with a grand celebration - “Utsav 2025”!

Dr. B. Lal Group celebrated 34 years of dedication and excellence by organising a cultural event #UTSAV2025! The event was a heartwarming tribute to our journey—celebrating the trust we've earned, the milestones we've achieved, and the future we're building. Here's to many more years of serving with passion and purpose!

A 30-day government-sponsored training program by the Ministry of Micro, Small and Medium Enterprises, Government of India in collaboration with BIBT”

BIBT in collaboration with the Ministry of Micro, Small and Medium Enterprises, Government of India (MSME, Development Office, Jaipur), has launched a 30-day government-sponsored training program for aspiring Medical Lab Technologists. In this workshop, students will gain hands-on training in medical laboratory techniques and be equipped for exciting roles in hospitals, diagnostic centres, and research labs. They will also learn the art of entrepreneurship. This program teaches you how to start and manage the medical lab, master market dynamics, and excel in the healthcare industry.

Manifest Your Dreams, Shape Your Future - Dr. Sudipti Arora's session on Vision Board & Mission Quest

Dr. Sudipti Arora, Assistant Director of Dr. B. Lal Institute of Biotechnology led an inspiring "Vision Board & Mission Quest Workshop" focused on helping participants align their goals for 2025. Through visualisation techniques and practical guidance, this workshop empowered attendees to: reflect on their aspirations, create a clear roadmap to success, and take the first step toward turning dreams into reality.

BIBT signed an MoU with Yi Jaipur

BIBT has signed an MoU with Yi Jaipur to ignite a wave of innovation, mentorship, and leadership development through the Yi Yuva vertical. This transformative partnership marks a new chapter of opportunities for our students to engage in impactful learning sessions, connect with industry leaders, and build skills that will shape the leaders of tomorrow.

BIBT signed a MoU with Atal Incubation Centre - Centre for Cellular & Molecular Biology (CCMB)!

RESEARCH COLLABORATION UNLOCKED!

Signs **MOU** with

ATAL INCUBATION CENTRE
CENTRE FOR CELLULAR & MOLECULAR BIOLOGY

Excited to announce a new collaboration that will drive innovation, research, and knowledge sharing in the field of Biotechnology

The graphic features a green background with a white banner at the top containing the text 'RESEARCH COLLABORATION UNLOCKED!'. Below this, there are two white boxes. The top box contains the logo and name of 'Dr. B. Lal Institute of Biotechnology'. The bottom box contains the text 'Signs MOU with' in an orange banner, followed by the logo and name of 'ATAL INCUBATION CENTRE CENTRE FOR CELLULAR & MOLECULAR BIOLOGY'. At the bottom, a line of text reads 'Excited to announce a new collaboration that will drive innovation, research, and knowledge sharing in the field of Biotechnology'.

BIBT has signed an MoU with the prestigious Atal Incubation Centre - CCMB (Centre for Cellular and Molecular Biology). This milestone collaboration is set to drive innovation, research, and knowledge sharing in Biotechnology, opening doors to groundbreaking advancements and skill development.

Biotechniques Workshop

Biotechniques Workshop at Bal Bharti School, Kalwar Road

Ms Akansha Mathur, Ms Anjali Pandit, and Mr Danish successfully conducted a hands-on training session on DNA Extraction and Agarose Gel Electrophoresis for 130+ Class XII Biology students at Bal Bharti School, Kalwar Road in their School Campus.

Faculty and Staff Achievements

Congratulations

Dr. Sudipti Arora

Dr. Sudipti Arora, Assistant Director, Dr. B. Lal Institute of Biotechnology and Chairperson of the Rajasthan Women Wing of ASSOCHAM (The Associated Chambers of Commerce and Industry of India), has been honoured with the prestigious Industry Leadership Award at the University of Engineering & Management - Jaipur. This accolade is a testament to her unwavering commitment to excellence and transformative contributions to the fields of industry. Dr Arora also took the stage as a Panel Speaker to discuss the National Education Policy 2020, where she shared her insightful perspectives on how the new curriculum can empower students for holistic development and better prepare them for the future.

Faculty and Staff Achievements

Long
Service
Award

Congratulations

Dr. Sonika Saxena

Dr. Sonika Saxena, Vice Principal, was awarded the long service award at Utsav - The grand celebration of 34 years of Dr. B. Lal Group.

Long
Service
Award

Congratulations

Dr. Parul Chowdhury

Dr. Parul Chowdhury, Assistant Professor, was awarded the long service award at Utsav - The grand celebration of 34 years of Dr. B. Lal Group.

Service
Award

Congratulations

Mr. Khemraj Sharma

Mr. Khemraj Sharma, Manager, Administration, was awarded the long service award at Utsav - The grand celebration of 34 years of Dr. B. Lal Group.

Poster
Presentation

Congratulations

Dr. Parul Chowdhury

Dr. Parul Chowdhury, Assistant Professor, secured the 2nd Prize in the Poster Presentation at the International Conference on Multidisciplinary Approach in Life Sciences held at IIS, Jaipur! Her remarkable work on "Effectiveness of Dry Vermicompost and Vermicompost Tea Priming in Enhancing Pearl Millet Tolerance to Drought Stress in Field Conditions," was showcased alongside 46 other exceptional posters on the second day of the conference.

Bronze
Medal in
Marathon

Congratulations

Mr. Ritin Sharma

Ritin Sharma, Lab Assistant at BIBT, secured a bronze medal in 6 km category at AU Marathon 2025.

Student Achievements

*AU
Marathon
2025/1*

BIBTians at the AU Marathon 2025!

*1st prize
athletics*

Aman Kumar, a student of BSc Sem-I secured 1st prize in athletics at the National Level Youth Games, organised by the Youth Games Council India Ygci and NYKS India!

CONGRATULATIONS!

Aman Kumar

BSc - Sem I

First prize in **Athletics** at the **National Level Youth Games**, organised by the **Youth Games Council of India**

Alumni Updates

Kajal Rathore (M.Sc. Biotechnology 2022-24) started a new position as a Project Associate at Kumarappa National Handmade Paper Institute, Sanganer, Jaipur.

Nidhi Dua (M.Sc. Biotechnology Sem III) was placed at Physics Wallah as an Associate Professor for Zoology in the NEET UG category.

Charul Jain (B.Sc. Biotechnology 2018-21) has started her PhD at University of Manitoba.

Akash Sharma (M.Sc. Microbiology 2022-24) has started a new position as an Analyst at the State Central Public Health Laboratory (FSSAI) Government Food Testing Laboratory, Jaipur Rajasthan.

Harshita Dhaked (M.Sc. Biotechnology 2022-24) has started a new position as a Trainee Analyst at Eureka Analytical Services, Sonipat, Haryana.

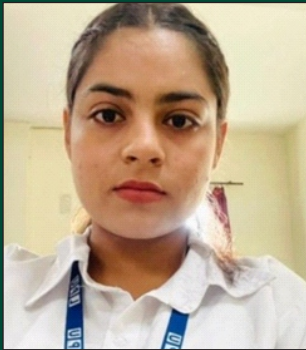

Aditya Sharma - (B.Sc. Biotechnology 2018-21) has started a new position as Researcher and Biologist at HGEN Capital Ltd. London.

Galove Sharma (B.Sc. Biotechnology 2019-22) has started a new position as R&D Officer at the Serum Institute of India

Yashaswini Purohit (B.Sc. Biotechnology 2019-22) has started a new position as Research Analyst at GRG Healthcare Pune

Neha Kanwar (B.Sc. Biotechnology 2017-20) has begun her career at Indira IVF, Jaipur

Chetan Pandit (B.Sc. Biotechnology 2017-20) has started his PhD journey at National Taiwan University

Placement Cell Activities

Yogeshwari Chawla of B.Sc. (Batch 2022-25) got placed in **Dr. B. Lal Clinical Laboratory** as Management Trainee.

What's Happening in the Ecosystem?

BIBT participated at the Science Technology and Spiritual Congregation and Valedictory Ceremony of VVM State Level Camp 2024 - 25, organised by VIBHA, NCSM and NCERT at St Wilfreds School, Mansarovar

Nobel Laureate & Padma Vibhushan, Sir Venkatraman Ramakrishnan inspired the audience by delivering a lecture on "My Adventures in the Ribosome," and shared some groundbreaking scientific discoveries and the importance of adaptability in life and research. It was an absolute honour to be part of this prestigious event and distribute copies of Gene Machine, his remarkable book.

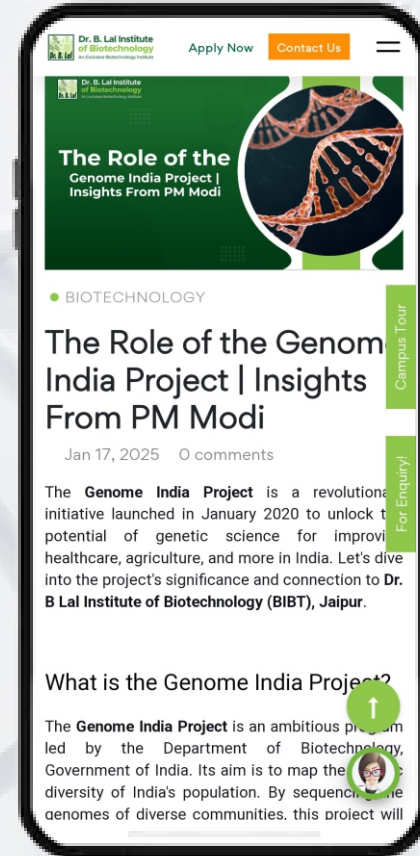

Dr. Rajendra P. Ola, Principal, Dr. B. Lal Institute of Paramedical Sciences, was invited to the Amity University Rajasthan, Jaipur as a Resource Person in the workshop on "Immunophenotyping by Flow Cytometry: A Diagnostic Approach for Leukemia or Lymphomas Classification." The event was an insightful and impactful program on flow cytometry and its diagnostic applications and allowed meaningful exchange and learning with the students.

Blog of the Month!

The Role of the Genome India Project | Insights From PM Modi”

In our latest blog, we explore the transformative potential of the Genome India Project and its vital role in shaping India’s growth story. Drawing inspiration from the words of Honorable Prime Minister Shri Narendra Modi ji, the blog highlights: Strengthening the healthcare system, Accelerating research on genetic disorders, and Breakthroughs in preventive medicine. Dive into the details and join us in exploring how genomics unlocks a brighter future for India. (Scan the QR code to Read More)

About BIBT

At BIBT, we are committed to shaping the future of science and innovation. As a premier institution in biotechnology, we offer cutting-edge education, state-of-the-art research facilities, and industry-focused training that equips our students to thrive in the rapidly evolving biotech landscape.

With top placements in the biotech sector, we've built a reputation for excellence through world-class infrastructure and a sustainable campus that fosters innovation. Our network of over 2,500 alumni is making a global impact, driving industry advancements and leading research institutions.

As the educational arm of Dr. B. Lal Clinical Laboratory, a renowned name in healthcare, we are deeply committed to empowering the next generation of scientists, researchers, and innovators. Our mission is to equip students with the knowledge and skills to create lasting solutions to global challenges, ensuring they lead the way in the future of biotechnology. With a focus on hands-on learning, interdisciplinary research, and strategic industry partnerships, BIBT is a catalyst for groundbreaking discoveries in healthcare, agriculture, and environmental science.
