RISING RAJASTHAN
INFORMATION TECHNOLOGY &
START-UP PRE-SUMMIT

**Dr. B.Lal Institute of Biotechnology has signed
an MoU with iStart Rajasthan at the
Rising Rajasthan Information Technology and
Start-up Pre-Summit**

Prepared by: Muskaan Arvind Chauhan & The Entire Team of MARCOM Club of BIBT

Edited by: Marketing Team | **Designed by:** AdsGrip Consultancy

From The Principal's Desk

**Dr. Aparna Dutta,
Principal**

Dear Readers,

Last month was a whirlwind of academic accomplishments and meaningful milestones for us! We signed an **MoU** with **iStart Rajasthan** during the **Rising Rajasthan Pre-Summit**, marking a significant step towards innovation and collaboration. Our faculty shone on global and national platforms: **Dr. Aditi Nag**, accompanied by students, participated in the **India International Science Festival at IIT Guwahati**, while **Dr. Izarhul Haq** contributed to the **International Conference** at the **City University of Hong Kong**.

In addition, we forged a partnership with **Global Reach** to open new avenues for our students to pursue **education abroad**. Special guidance sessions **for students** also highlighted career opportunities in research and healthcare. Our admissions team hit a remarkable milestone, hosting **50 Biotechniques workshops** with schools, marking their silver jubilee of outreach efforts.

We celebrated **Children's Day** with students from the **IWI NGO**, offering them a glimpse into the fascinating microscopic world. To honour the diversity and individuality of our students, we launched the "**Humans of BIBT**" campaign, spotlighting their unique stories. We also took pride in celebrating the success stories of our **alumni**, showcasing their achievements as a source of inspiration.

Stay tuned for more updates in the next edition!

BIBT Highlights

We are thrilled to share that we have signed an MoU with **iStart Rajasthan** at **Rising Rajasthan Information Technology & Start-up Pre-Summit**, a flagship initiative by the Government of Rajasthan.

BioQuest Workshop

We welcomed students from **Parishkar College of Global Excellence, Jaipur, Apex University, Maheshwari Girls College**, and **Subodh PG Girls College, Sanganer** to our exciting BioQuest Workshop where these budding scientists engaged in hands-on sessions on DNA Extraction and Agarose Gel Electrophoresis led by our expert faculty.

Biotechniques Workshop

The **Biotechniques Workshop** provides hands-on learning experiences on essential techniques like **DNA Isolation** and **Gel Electrophoresis**. We have conducted **50+ Biotechniques Workshops** so far and **1000+ students** have experienced the real-world applications of biotechnology.

- Jaipuria Vidyalaya (8th November 2024)
- S J Public School (9th November 2024)
- Beacon Public School (16th November 2024)
- Warren Academy (16th November 2024)

- Ryan International School, Jagatpura (19th November 2024)
- St Anslems Malviya Nagar (19th November 2024)
- St Teresa's School (19th November 2024)

- Central Academy Ambabari (23th November 2024)
- St. Xavier Sec School, C-scheme (27th November)

Exclusive Sessions!

Children's Day Celebrations with IWI NGO

BIBT and **Prakrit Foundation** jointly organized an engaging session on microscopes for students of classes V, VI, and VII from **IWI NGO** on the occasion of **Children's Day**! This hands-on activity provided a wonderful opportunity to introduce young and curious minds to the microscopic world.

While the students of BIBT celebrated the Children's Day with a delightful mix of fun and learning. A program, "**Fun with BIBTians**," brought together students and teachers for games and activities, fostering joy and camaraderie.

Fun with BIBTians

Session on International Day for the Elimination of Violence Against Women

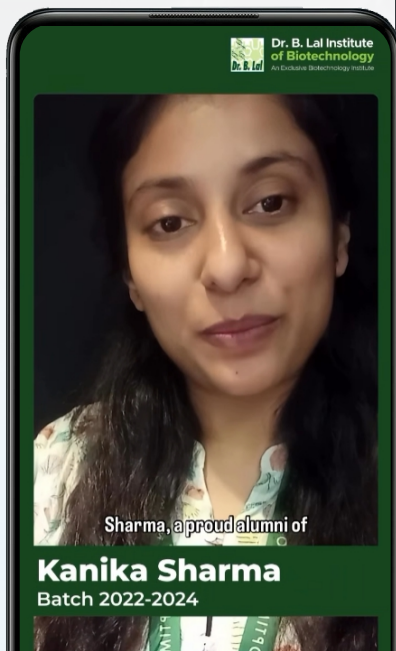

BIBT celebrated the **International Day for the Elimination of Violence Against Women** by organising an engaging session with Sister BK Suneha, a Rajyoga teacher and mentor associated with the Brahma Kumaris. The session emphasized individual responsibility in creating a safer and more compassionate community.

Alumni Chronicles!

"Meet **Kanika Sharma**, a proud alumna of Dr. B. Lal Institute of Biotechnology and now a **Business Development Analyst** at **MartLenz Knowledge Services**. Her inspiring journey is a testament to how BIBT shapes leaders by nurturing confidence and honing leadership skills.

Placement cell Activities!

BIBT has signed an **MoU** with **Global Reach** to help students achieve their academic aspirations overseas. **Pawan Solanki**, Head of Operations, Global Reach, delivered a dynamic and engaging session, guiding students on the opportunities and pathways for pursuing education or careers abroad.

MoU with Global Reach

Orientation Session on Clinical Careers

Dr. B Lal Clinical Laboratory organized an **Orientation Session on Clinical Careers**.

The session enlightened aspiring healthcare professionals with insights into career opportunities in clinical laboratories, including the required qualifications, essential skills, and the recruitment process.

The session on “**Research & Its Career Opportunities**” was delivered by **Mr. Garvit Chopra** from **Prigance Research**. This session explored the diverse career prospects in **Research**, providing students with practical insights into the field.

Career Opportunities in Research

Humans of BIBT

"Leaving the bustling streets of Mumbai to embrace a new journey in Jaipur isn't easy, but it's a leap worth taking!" Meet **Arnav Abkari** our first feature in **#HumansofBIBT**. From being impressed by Dr. B. Lal Institute of Biotechnology's state-of-the-art labs to experiencing a whole new culture, Arnav shares how this bold decision to pursue biotechnology is shaping his personal and professional growth. What's Happening in the Ecosystem?

BIBT at the "Aspirational Blocks" National Conference

BIBT took part in the "Aspirational Blocks" National Conference, which delved into the economic factors influencing the interconnected dimensions of the nation's economy. **Dr. Sudipti Arora** was featured as a guest speaker, sharing insightful perspectives on these critical challenges.

BIBTians at IISF 2024

BIBT's collaborative project with **CSIR India** on "Point of Care - Early Ventilator-Associated Pneumonia Detection", was selected for showcasing at the prestigious **India International Science Festival 2024 (IISF)** at the **Indian Institute of Technology, Guwahati**! Our esteemed faculty, Dr Aditi Nag and our brilliant students, Tejpal Sharma, Garvit Sharma, and Tanisha Agrawal, proudly represented our institute.

Saksham Gupta, Director at #SPHINX'24

Saksham Gupta, Director, BIBT, was invited as a panel speaker at the prestigious **#SPHINX'24 Industry Institute Conclave 2024**, held at **Malaviya National Institute of Technology Jaipur**! The panel discussion, themed "**College to Career: Is There a Missing Link?**" provided an invaluable platform for exploring the crucial transition from education to industry.

About BIBT

At **BIBT**, we are committed to shaping the future of science and innovation. As a premier institution in biotechnology, we offer cutting-edge education, state-of-the-art research facilities, and industry-focused training that equips our students to thrive in the rapidly evolving biotech landscape.

With top placements in the biotech sector, we've built a reputation for excellence through world-class infrastructure and a sustainable campus that fosters innovation. Our network of over 2,500 alumni is making a global impact, driving advancements in industries and leading research institutions.

As the educational arm of Dr. B. Lal Clinical Laboratory, a renowned name in healthcare, we are deeply committed to empowering the next generation of scientists, researchers, and innovators. Our mission is to equip students with the knowledge and skills to create lasting solutions to global challenges, ensuring they lead the way in the future of biotechnology. With a focus on hands-on learning, interdisciplinary research, and strategic industry partnerships, BIBT is a catalyst for groundbreaking discoveries in healthcare, agriculture, and environmental science.
