An Exclusive Biotechnology Institute

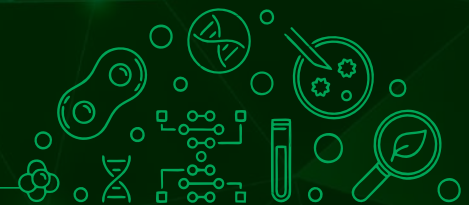

Placement Highlights 2023-25

Success Runs in Our DNA!

At BIBT, we take pride in shaping the future of biotech professionals with industry-aligned training, expert mentorship, and a dedicated placement cell that bridges the gap between classroom and career.

“Witness the incredible transformation of our students as they step into the industry, ready to innovate and lead!”

Message from the Deputy Director

Mr. Saksham Gupta

It is with immense pride that I present to you this placement brochure, a testament to the dedication, perseverance, and excellence of our students. At Dr. B. Lal Institute of Biotechnology, we nurture bright, skilled, and ambitious professionals who are ready to make their mark in the ever-evolving world of biotechnology.

I invite you to explore the profiles of our students and discover the talent they bring to the table. We look forward to forging meaningful collaborations where you not only gain access to a highly skilled workforce but also play a pivotal role in driving innovation and development in the biotech sector.

Message from the Principal

Dr. Aparna Datta

It gives me immense pleasure to introduce a group of vibrant, vivacious, and visionary students who are equipped with innovative ideas, sustainable strategies, and a strong commitment to scientific excellence.

With state-of-the-art infrastructure, cutting-edge research facilities, and an industry-aligned academic ecosystem, our Placement & Training Cell ensures holistic development through workshops, mock interviews, communication labs, and skill-enhancement programs.

Message from the Academic Head

Dr. Sonia Kaura

Our greatest asset is our intellectual capital — our students. We are committed to nurturing this potential through a seamless blend of contemporary pedagogy and a meticulously designed academic framework that promotes the holistic development of each learner.

The vibrant academic environment empowers students to master both fundamental and advanced concepts across relevant domains in biotechnology and allied sciences. This enables our students to develop the competencies and confidence necessary to thrive in a professional setting.

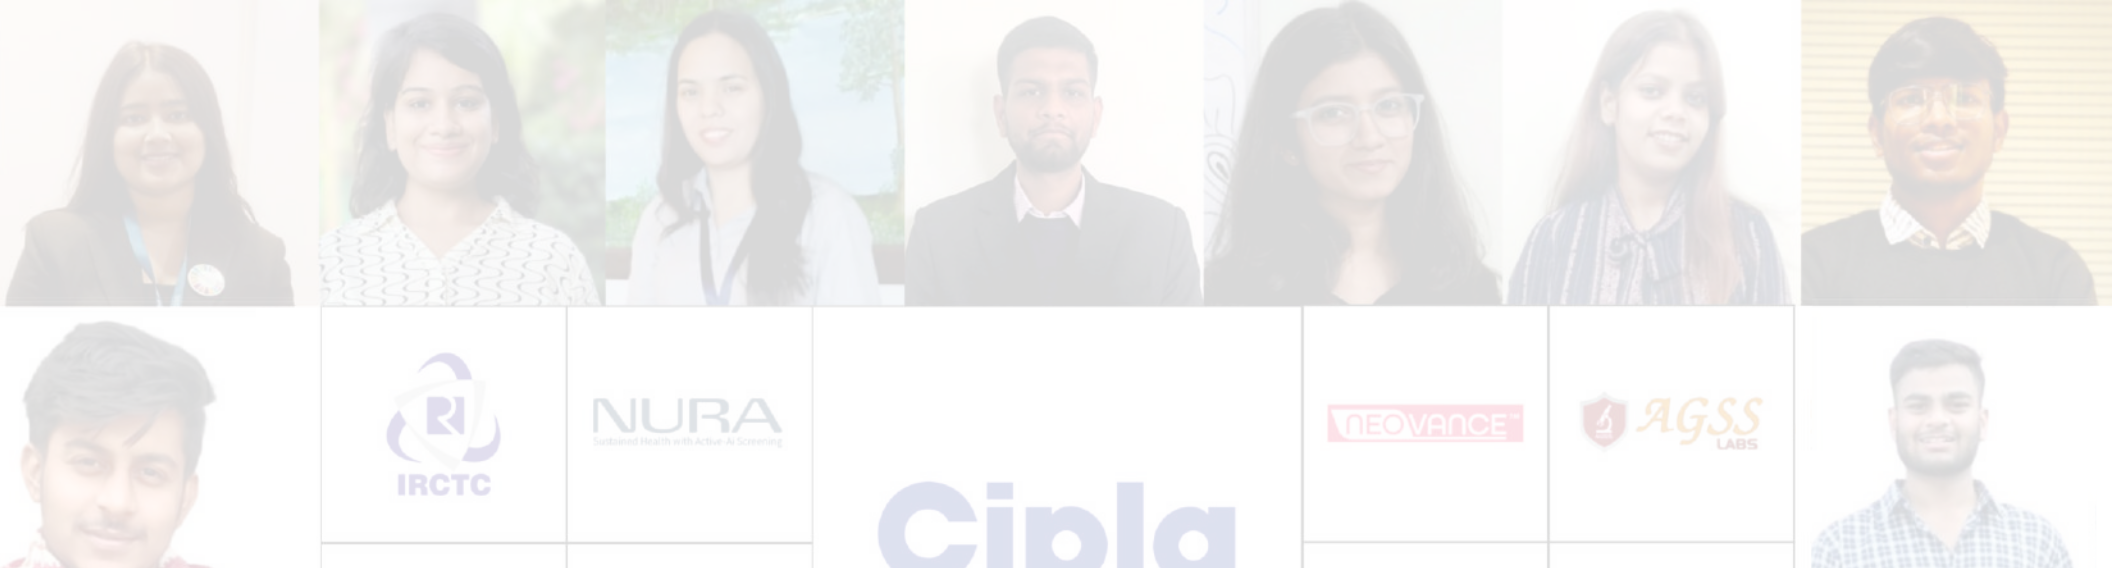

Message from the Placement Head

Ms. Nikita Joshi

We believe that Dedication, Determination, Discipline, and Effort form the cornerstone of every successful career. With this philosophy at the heart of our training, we nurture our students to meet the evolving demands of the corporate world.

The consistent 100% placement record over the last three years stands as a testament to the confidence and trust that recruiters have placed in our students. As the Head of the Placement Cell, I am committed to ensuring that every student is equipped with the right skills to become an industry-ready and future-focused professional.

Placements 2025

RAHUL YADAV

M.Sc. Biotechnology '25

Application Specialist

Placed At:

Abbott

About BIBT

At BIBT, we are committed to shaping the future of science and innovation. As a premier institution in biotechnology, we offer cutting-edge education, state-of-the-art research facilities, and industry-focused training that equips our students to thrive in the rapidly evolving biotech landscape.

With top placements in the biotech sector, we've built a reputation for excellence through world-class infrastructure and a sustainable campus that fosters innovation. Our network of over 2,500 alumni is making a global impact, driving industry advancements and leading research institutions.

As the educational arm of Dr. B. Lal Clinical Laboratory, a renowned name in healthcare, we are deeply committed to empowering the next generation of scientists, researchers, and innovators. Our mission is to equip students with the knowledge and skills to create lasting solutions to global challenges, ensuring they lead the way in the future of biotechnology. With a focus on hands-on learning, interdisciplinary research, and strategic industry partnerships, BIBT is a catalyst for groundbreaking discoveries in healthcare, agriculture, and environmental science.
