

**Dr. B. Lal Institute  
of Biotechnology**

An Exclusive Biotechnology Institute

# Industrial Biotech Training (IBT)

To bridge the skill gap between  
industry and academia

# Overview

The Biotech Industrial Training Program aims to provide industry-specific training to students for skill development and is specially designed for students to gain 'hands-on' training experience hence enhancing their job opportunities in the biotech industry. Hence, all possible efforts are made to inculcate research aptitude and good work culture among the students through well-planned, properly executed and evaluated training.

## Key Features

Industrial Biotechnology  
Concepts, Principles,  
and Practices

Hands-on  
Training

Interaction with  
Industry Experts &  
Researchers

Case Studies and  
Real-World Examples

State-of-the-art  
Labs

Customisable  
Course Content

# Benefits

Enhanced  
Technical Skills

Latest Industry  
Trends and Best  
Practices

Increased Career  
Prospects

Strong Network  
of Peers

Cutting-edge Projects  
& Research Initiatives

Proficiency in  
Applied Biotechnology  
Techniques

Job Security in a  
Growing Industry

## IBT Domains

- Medical Microbiology
- Molecular biology
- Advanced genetic engineering
- Plant Biotechnology
- Protein engineering
- Environmental Biotechnology
- Medical diagnostics
- Bioinformatics
- Biofuels
- Immunotechnology

# Career Opportunities in Biotechnology

## About BIBT

Dr. B. Lal Institute of Biotechnology stands as a leading institution in biotechnology, delivering advanced education, cutting-edge research opportunities, and industry-aligned training to prepare students for success in the dynamic biotech industry. Renowned for achieving the highest placement rates in the sector, we are recognized for our world-class infrastructure and sustainable campus that inspire innovation. Our global alumni network of over 2,500 professionals is shaping the future across premier industries and research institutions worldwide. As the academic extension of Dr. B. Lal Clinical Laboratory, a trusted name in healthcare, we are dedicated to nurturing the next generation of scientists, researchers, and innovators. With a strong emphasis on practical learning, interdisciplinary research, and strategic industry collaborations, BIBT drives transformative progress in healthcare, agriculture, and environmental science.
